

Greek Olympic Games

When: Monday, April 23rd, 2007 @ 3 pm

Where: Library Mall

Event and Rules:

Water Balloon Toss: Each team will pick two “tossers” to throw a water balloon back and forth. After each toss, the pair will take a step backwards and toss again. Teams are encouraged to rotate players between each toss. When the water balloon breaks, the team is out. The water balloon standings will decide the seeds for the wet sponge dodge ball competition.

Wet Sponge Dodge Ball: Once the seeds are set, teams from each pairing will move to their assigned field and begin to play a double elimination wet sponge dodge ball tournament. The field will be marked with cones and each team will try to eliminate the other team’s players. Elimination of a player is accomplished by hitting an opposing player with a live sponge below the shoulders (come on, no head shots) or catching a live sponge thrown by your opponent before it touches the ground. The game will begin by placing the sponges along the center line. Each team must take a position behind their end line. Following a signal by an official, teams may approach the centerline to retrieve the sponges. This officially starts the contest. Once a sponge is retrieved it must be taken behind the attack-line before it can be legally thrown. The first team to legally eliminate all opposing players will be declared the winner. Each team will consist of 8 members, and no member may play two games in a row, so bring a little bit of strategy and at least 16 players – plus more so they can cheer your team on to victory!

Volunteers Needed: We need one or two volunteers from each team to help run this event. Please send your team’s volunteers to Library Mall a half-hour early (2:30 pm) to meet with the event coordinator. You will receive points for each volunteer (see points sheet for more information).

Points:

25 points for 1st place finishing team

20 points for 2nd place finishing team

15 points for 3rd place finishing team

10 points for teams that do not place but participate

5 points for each volunteer (10 points max)
