The Brothers of Lambda Theta Phi Latin Fraternity, Inc. hope to raise as many donations as possible from the community, in order to help make a wish come true for a special child.

The Make-A-Wish Foundation grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength, and joy. Since the Wisconsin chapter was founded in 1984, over 2,800 families statewide can attest to the power of a wish. Last year, the chapter granted a record-breaking number of wishes with 255 children receiving their one special wish.
