

## Stages

**Please note:** Potential members must attend all eleven chapters during first rounds and the maximum number of chapters during each stage. This will maximize your chances of finding the right chapter for you! If you have scheduling conflicts, please contact your Recruitment Counselor to make the necessary arrangements.

### First Rounds

Recruitment begins with a series of 35 minute events spanning over a two day period. This stage acts as your introduction to the entire Greek Community and provides you with the opportunity to meet women from each chapter. During this round, the chapters will present a skit or slide show. This will provide you with the opportunity to see how the women work together. Don't hesitate to ask questions. Dress is casual and comfortable: shorts, jeans, or a casual skirt and top.

### Second Rounds

Before this stage, you will have been matched with up to seven chapters you would like to visit again. During this second phase of Recruitment, you will have a chance to see more of each chapter and talk to more women. These stages are a little longer, lasting 40 minutes. During this round, you will work with the chapter members on a project that will benefit the chapter's philanthropy. In addition, you will get to tour the chapter's house and find out information about that chapter. Appropriate dress is a sundress, skirt and top, or nice pants/shorts.

### Preference Parties

Before this stage, you will have matched with up to three chapters you would like to visit one final time. Expect a serious atmosphere and a special ceremony that the chapter holds near and dear to its heart. Dress is semi-formal; a nice skirt or dress.

### Bid Day

Potential Members will receive their formal bid to join a sorority. You will then join the chapter for an afternoon celebration. Dress is comfortable; shorts or jeans will do.
